

Ministry of Health & Family Welfare had revised the guidelines for international arrivals w.e.f 1000 Hrs (IST) on 01 January 2023. Accordingly, passengers travelling from certain high-risk countries- China (incl HK), RoK, Japan, Singapore and Thailand need to fill the self-declaration form and upload negative RT-PCR test result (taken within 72 hours of travel from these countries) in the Air Suvidha Portal. Para A.1.ii of the guidelines in the link below may kindly be referred to in this regard: [GuidelinesforInternationalArrivals29thDecember2022.pdf](#) (mohfw.gov.in). This **requirement will also apply to transiting passengers through these countries** irrespective of the originating country.
